

## ***Kendall Ice Arena Pre-Hockey Classes***

Our Pre-Hockey classes are for beginning youth hockey players ages 5-14.

A pre-requisite of achieving Basic 2 level from our “Learn to Skate” program is necessary. This will assure a basic skating level for further skill development. Small groups are arranged to learn all hockey skill areas.

Including, stick handling, passing, shooting and skating. Fun games are incorporated into the lesson plan to assure a fun, positive and challenging experience. Classes are “on-going” and students may enroll at any time.

These groups are taught by Professional Hockey Coaches and assisted by additional qualified members of our staff. After achieving a solid base of core skills, players are moved onto our Youth-in-House instructional league. For further information on this program or others the Skating Academy Office @ 305\*386\*8288 x 108. or *email:* [Hockey@kendallicearena.com](mailto:Hockey@kendallicearena.com)

**Required equipment is:** HECC Certified Hockey Helmet (This seal can be found on the back of the helmet when purchasing one), Skates, stick, Ice Hockey Gloves.
